

Your stores already generate the data. We let you earn from it.

We analyze the **visual data** from your existing cameras, match it to every receipt, and turn it into a product brands pay for. **You share in it.**

THE PARADIGM SHIFT

~~Retailers pay for shopper data.~~

Now brands pay you for it.

Before: you pay

Now: you get paid

€0

Zero risk

Runs on your existing infrastructure. No fees.

100%

Margin on new revenue

Paid by brands, not by you.

Free

Your data, first

Before any brand sees it.

88+

Details per shopper

Matched to every receipt.

HOW IT WORKS

Your cameras see who walks in

Our AI matches it to the receipt

Brands pay, you share

● FOUNDING PARTNERS

Only a few founding spots are open.

Start with a revocable 60-day pilot on stores you choose.

Your data stays yours

No faces, no identities. GDPR and EU AI Act compliant.
