

Online-grade behavioral data. Now from physical stores.

Brands know **what** sold. We show them **who** bought it, and pay retailers for the data.

HOW THE MODEL WORKS

FOR RETAILERS

Get paid for data you already have.

- ✓ Zero investment, zero risk
- ✓ Your own data, first and free
- ✓ Runs on existing infrastructure

FOR BRANDS

See who buys, not just what sold.

- ✓ Observed, not surveyed
- ✓ Segments to brief media and shelf
- ✓ Deeper with every chain that joins
